
AS I WAS WITH MOSES

 (Thank you, brother. Sorry I was late.)

² Good evening, friends. I'm awfully sorry I was late tonight. I just was praying and got just kind of caught away, I—I just seemed like I couldn't get away from it. And I happened to look up, and I said, "Oh, my!"

And my little boy had been walking up and down the streets, he said, "Daddy, where have you been?" He thought something had happened to me.

³ But I'm very happy to be in, and to minister to the people again tonight. And I wish to—to make . . . [Blank spot on tape—Ed.] . . . right straight to the prayer line.

⁴ Today, God has seemed to deal with me today upon some serious things. I—I've always wanted a place where I could pray for many people. It's always been a defect, seem like, in my meeting to try to get the people (Thank you, brother.), to try to get the people to believe the . . . just to accept God.

⁵ And I understand today that some brother who had a paralyzed arm that was just straightened out for him. Now, a man that's been paralyzed for . . . There he is there, waving his arm back there, I guess he's just testified, that's wonderful, that paralyzed arm, waving.

⁶ Now, that's the way, that's the purpose of my meetings. See? I . . . It isn't a self-glory, it isn't nothing that I can do, I just try to introduce to you the One that's out there among you now, see, to do the healing out there. It's—it's nothing a personal something that I have to do, it's Him that's right where you're setting right now, He's right by you, it's faith in Him.

⁷ But it's been so hard to get people to believe that, to . . . When they see one coming to the platform and get ministered to, and—and see the faith of the person build right up like that and be healed, then they all want to . . . they just won't accept it out there, that's all, they just . . . it's hard for them to do.

⁸ And today I have wondered and prayed today. And last evening, someone told me, said another brother would pray for five hundred people, while I was praying for five. Well, maybe that's right. Maybe that's the way the Lord wants the brother to do it.

⁹ And I—I've always thought, instead of personal contact with the people, if I could get them, not so much in contact with myself, but in

contact with Jesus, that—that's what I want them to come in contact, because I'm just as your brother, there's nothing about me that could help you. And it's Him, and He is right over you just everywhere, just like the air that's in this room here, the Holy Spirit is.

¹⁰ And now, I'm very thankful that—that God is confirming that what I have—have spoken to be the truth. Now, there's the brother that was in the meeting, yesterday, a paralyzed man, today, a well man. I never touched him or nothing, he looked up here on the platform, he seen the Holy Spirit doing signs and wonders out there, he just said in his heart, no doubt, "That's what I . . . Why, Holy Spirit, You healed me, too, so I'll just accept You." And there it was, and that's happened.

¹¹ The congressman, Brother Upshaw here, who was crippled for sixty-six years, I never even touched the man in no way. I just stood here, I did see a vision of the man, that is true, and then he just accepted what I said, that was all. There he is, he's walking. See? I never had nothing to do with it. His faith in the Lord Jesus Christ is what made him whole. That's right. See? "Thy faith has saved thee." And when faith come, he wasn't afraid, and put the works with it, and so, "Faith without works is dead." See?

¹² And thinking, some of them said, "Well, so many people come, though, Brother Branham," someone said to me, "for you to pray for them, well, they want you to pray for them. No matter, you don't have to have . . . take so much time with each one, just so you have a prayer for them, that's what they want you to do, is pray for them."

¹³ Well, I—I can—I can do that. I just, anything that your faith looks to, that's what I'll do, I . . . as long as it's in Christ Jesus.

¹⁴ You know, one time . . . It's different people, of where maybe this man could receive his, from his paralyzed arm, healing, just by believing what I've told him to be truth . . . If—if—if people could see this and believe this, that I—I would not tell you anything wrong willfully, God knows my heart, and I—I wouldn't do that for nothing, because I would have to answer for it, and I would be just truthful and honest with you, so therefore, when I say that Jesus has already healed every one of you . . .

¹⁵ When He died at Calvary, He healed everyone, He atoned right there, that's when your, when the debt was paid for sin and sickness, and all the attributes of sin.

¹⁶ Now, sin is the cause of sickness. Before we had any sin, we had no . . . Now, sickness is either a direct or indirect cause by sin from the fall; maybe nothing you done, something your parents done, you just inherited their weaknesses, and so forth.

17 I. . . For instance, my father drink, and was a terrible drinker. Well, I would have been a drinker, but the Blood of Jesus Christ cleansed me from that. See? I never drank in my life and don't crave it. But, and all of my people used tobacco, every one of them both chewed and smoked, most of them. And why, I, by nature. . . Just like a—a grain of corn, it would have to be, if it's a grain of yellow corn, it'll be yellow corn, unless there's a conversion made. Well, I—I never did smoke in my life, and never even craved it, but the Blood of Jesus Christ did that. See? See?

18 Now, that's the same thing, if you have a inbred weakness from some sickness that you inherited from your peoples back in the generations, which each one growing weaker and wiser, the Blood of Jesus Christ atoned for that at Calvary, you've got a right to accept it and be healed. That's what. . . See?

19 Now, sickness is an *attribute* of sin, it's just one of the things that come because of sin. Now, if you've done something in your life that you know that's wrong, well you make that right. That's usually the cause here at the platform, is to trace down and find out something in their life there that they did that caused them not to be able to be healed until they are, until they make that right. And then when they make that right with God, then God will heal them. See what I mean? God will—will—will heal them if they—if they make that right. Now, I. . . That's what. . . But if. . . You know in your own heart whether you've done something wrong or not, don't you? And so you make it right, anyhow.

20 Now, it is the truth that when the appearing and the commission that was given. . . Let me repeat this slowly now so that you'll surely understand.

21 I never heard Brother Hall's sermon tonight, I just got here. Sometimes I hear a portion of it when I'm standing back there, but he told me he was going to explain to the people.

22 Now, when he met me, he told me that I was born in this world to take this to the people, to pray for sick people. And if I would get them to believe me, and be sincere when I prayed, that no disease would stand before the prayer, not even to cancer. Now, that is true.

23 And then I questioned the supernatural being that was speaking with me, the Angel of the Lord, who said that he was sent from the Presence of God. And he told me that I'd have great congregations of people across the world, and would pray for kings and monarchs; I have, kings of the world, and—and praise the Lord, they were healed. See? That's. . .

24 Now, it was hard for me with a seventh grade education, and just a local game warden working for a living with some children to take care of, living in a two room cabin. How was I to ever to meet kings and monarchs, and great men of the world, and congregations from east, west, north, and south to come to see me to be prayed for? That was more than, that—that shock at that time, that my faith could—could—could comprehend. Then he said to me. . . I said, “Sir, they wouldn’t believe me. Why, I couldn’t talk.” And that’s true yet. I can’t talk a real good conversation with people, because I’m not educated enough. My. . .

25 I was coming down the elevator of the hotel that I’m staying in, I believe it was last night, I was saying something to an elderly woman there, there was a big fellow standing there, said, “You sure are from Texas.” Said, “You sure. . .” Said, “Your talk sure sounds like you’re. . .”

I said, “My mother was, I’m from the south.”

26 But I—I just can’t. . . There’s just no. . . I haven’t got the—the ability to make a speech even. And sometimes at a ministerial’s dinner, and so forth, I—I just let my manager, some of them, talk, because I can’t, to make a sensible talk to the people in a way that educated men like that should talk to one another. That’s the reason someone comes to the platform and introduces the things, is because that I. . . my ability is not enough for that.

27 But he told me that he would give me, when I told him that the people would not believe me. . . How would a king or a monarch, or an educated person, most of them that looks to wisdom in the, of the world and talents of that type, listen to a man that talked like me? They wouldn’t do that. And so I said, “They won’t believe me.”

28 He said, “As the prophet Moses was given two signs to vindicate his being sent of God,” see, said, “so will you be given.” Now, that was something not in the educational realm, but out in the Supernatural realm. See? See? And said, “The first thing, you’ll know diseases by taking people by the hand. And then it’ll come to pass, that you’ll know the very secrets of their hearts, and the things that’s happened in their life, and be able to tell them from the beginning to the end.” And said, “They’ll believe this.”

Well, I said, “I will go.”

He said, he, first he said, “I’ll be with you.”

And I said, “I will go.”

29 And the Light gathered up around the Angel, the Angel went up in the Light, the Light kept whirling in the room, and went out of the room. And I'm . . . That's all I can say, that's all I know.

30 And I've been going forth, and have almost covered the world now. And the Message has been . . . When he said he would be with me, he has been at the platform, he's done great things.

31 I do not say that everyone I prayed for was healed, no, don't get that, no. But I say that everyone has ever come has been told what was wrong with them, and the things of their life, and so forth like that, if I would set and talk to them a little while.

32 Now, the great complaint, there's no question about that, that's known everywhere, the great complaint that I hear, that I don't minister to enough people. Well, maybe I've got too much on the other side, maybe I have.

33 I've thought this: If I could—could pray and God would do something here in the supernatural realms to let you know that He was present, and then, surely, you would take my word for it, see, you would take my word, and then I'd tell you He was out there and would heal any of you that would confess His . . . Him to be your Healer.

34 Remember, He can never do nothing for you, until first you say He's done it, believe Him, and accept it, and testify of it. Did you know that? He's the High Priest of our what? Confession. Hebrews 3:1. Now, He's setting at the right hand of the Father, to make intercessions upon our confession. See, we've got to believe it, accept it, and confess it, and He's before the Father to make good anything that we confess, in the redemptive blessings, of course.

35 Now, Jesus said, "Whatsoever things you desire, when you pray, believe you receive them, and it shall be given to you." Is that right? "And verily, verily, I say unto you, if you should say to this mountain, in your heart, 'Be plucked up and cast away, or removed,' and doubt it not," but now watch, "but believing that those things that you say shall come to pass, you'll have it." See? "Whatsoever he saith." See? Whatsoever you confess.

36 If you, in your heart tonight, if you're—if you're dying with heart trouble, if you got cancer, if you with the appropriated faith, if you believe with all your heart, and just something is anchored there that says, "I believe Jesus Christ, I believe Him with all my heart, and I now accept Him as my Healer, and I believe that He heals me," and from your soul believe that, then say, "I am healed."

37 Let him that's weak say, "I am strong." See? Just say in your heart that "I am now strong. I have now accepted Jesus as my Healer," and never have any negative testimony, anymore, just believe it, God is

under obligation, or, Jesus Christ is, setting at the right hand of the Father to accept you, for He's setting there, the High Priest of your confession, to make good before the Father anything that He died for that you're confessing that He done. There you are.

³⁸ Now, Divine healing cannot be any plainer than that. It's to the weakest. You do . . . Any . . . Remember, God's Word will defeat Satan anywhere, any place, any time, and any condition.

³⁹ When Jesus of Nazareth . . . I believe the—the Father was in Him, that all the great things that was the Father's was given unto His Son, all the great blessings and gifts, for He was just expressed image of the Father, and in Him dwelt all the richness of God dwelling in Him here, looking up.

⁴⁰ He said, "I and My Father are One. My Father dwelleth in Me." Just as Jehovah . . . Just what Jehovah was, Jesus was, He was the expressed image of Him. He was God shaped out here, and all the powers of God formed into, and put in a human body. He said, "It's not Me that doeth the works, It's My Father that dwelleth in Me, He doeth the works."

⁴¹ Now, He had all those fine gifts at His command, but when Satan found Him, He didn't use those gifts. When Satan said, "If thou be the Son of God, change these stones to bread. Turn them into bread and eat, for you're hungry."

He said, "It is written!"

And he taken Him up on the pinnacle of the temple, and he gave Him Scripture.

And He, Jesus said, "And it is also written!"

And when he set Him up on top of a mountain, showed Him all the kingdoms of the world, said, "I'll give them to you."

Jesus still never used His power, He said, "It is written! It is written!"

⁴² Now, in His first battle with Satan, He officially, listen close now, He officially overcome Satan and all of his powers by the Word of God, the written Word of God.

⁴³ Now, these, our brethren, who's out on the fields tonight praying for the sick, that's what they're doing, they're ministers, every minister in here, any minister that believes in the Word of God could start a healing campaign, and has a right to. That's exactly right. If you feel led to do that, go do it.

⁴⁴ For it's this way, friends: You say, "Am I sure that I can be right, Brother Branham?"

45 Don't go because I told you, but I'll give you general orders, Jesus, His last orders, and that's general orders from the Headquarters: "Go ye into all the world, preach the Gospel to every creature." Is that right? "He that believeth and is baptized shall be saved, and he that believeth not shall be damned. And these signs shall follow them that believe: They'll lay their hands on the sick, and they shall recover."

46 Every called child of God, every minister that's ordained of God has a right for a healing campaign if he wants it. Go on, brother, I don't blame you.

47 I was looking and seeing little—little groups here and there, they say, "Well, there's too many of them." No there's not. Every one of them is having success some way. And every person can be healed, glory to God for it. That's right, everyone, everyone. It's a good thing.

48 Now, a few years ago when I started, there was none of that going on. And the only thing that this has done, and this supernatural, has wakened ministers out of the sense-bound realm into a place to where they see God is present, they take His Word, start a healing campaign, God heals the sick. You see what . . . That's just exactly. Search it through anywhere you want to, and see if there's anything any more Supernatural than that. That's right. But wonderful what God is doing, He started—He started a universal revival of the outpouring of the Holy Spirit. Now, we're very thankful for that.

49 Now, now, after the Word . . . And reliable men who's able, many, many times more able, there's ministers setting right here now, many of them that's a thousand times more qualified to speak that Word than I am. That's right. I don't know too much about It, I don't know the Book, I know the Author right well. So, I—I . . . But many of them are more qualified to speak the Word.

50 And I love Him, and He . . . we have just a personal contact. Well, if I can't explain His Book, He comes down upon my ignorant and illiterate being, and manifests Hisself in another way, see, and it lets the people know that He's present. And He loves me and I love Him. Now, He's here tonight.

51 And now, Brother Hall said, "Brother Branham, I believe the people are . . . their faith is . . . They've seen so many . . ."

52 And I say this with—with a humble heart, God, have mercy upon my soul: And many people has come by, I seen the time when they just touch your clothes, or something. Now, that sounds like, if I'd speak that to unbelievers and critics, which I know is present, you'd—you'd think that—that . . .

53 Now, you say I didn't know you were here. Oh, yes I do, too. Certainly I know you're here.

54 And so, you—you say, “Now, he’s trying to get somebody to touch.”

No, dear brother, you’re mistaken there. Far be that from me, God knows that.

55 And I’m not here in California tonight because there’s no other place to go, I’m not here trying to crowd in on someone else, I have a tabernacle at home where there’s . . . if I’d start a meeting and announce it in the paper, there would probably be three times the group that’s setting here, standing there. Here a few nights ago, I was there for one night, and they couldn’t even get the people for city blocks around, right at my own home. Why would I be here? Because I feel that God wants me to be here. That’s right. That’s why I feel like that I’m here. And—and I’m not . . .

56 And—and the words that I have spoke, our Heavenly Father has confirmed them to be true. So there’s nothing for me to worry about. If I die tonight, I . . . all right, it’s okay. See? I don’t want to die, I—I want to stay and live with my wife, and family, children, and—and—and preach the Gospel to God’s people until Jesus comes, if I can.

57 And I’m not trying to get someone to touch my clothes, there’s nothing to me, that’s right. But to that person that believes that I’ve told them the truth, it would be something to that family. That’s right. There was no more virtue in that coat than there was in the brass serpent, but if your faith looks that way, that’s what you ought to do. Isn’t that right? To Jesus of Nazareth. As I said last night, the woman touched His garment, virtue went out, another one put a rag around His face and spit on Him and hit Him, and hit Him on the head, said, “Prophecy,” there was no virtue to them.

58 One man said one time, said, “Lord, I’m not worthy that You would come into my house.”

Jesus said “I will go down to heal your son.”

He said, “I’m not worthy that You come into my house.” He said, “I’m a man under authority, and I say to *this* man, ‘Do *this*’, and to *this*, ‘Do *this*,’ he doeth; and I say to *this* one, ‘Come,’ and he cometh.”

59 Now see, that Roman recognized that Jesus of Nazareth had the authority over sickness, for he was a man in authority, and he knew what he said, it had to be. See? Now, he says to *this* man, if he’s going *that* way, he would say, “Come back *this* way,” he has to do it, he has to, because he’s in authority. Do you know what I’m talking about? All right.

60 And he knowed Jesus had that much authority, and more, over sickness. He said, “I’m not worthy that such a Holy Person as You

would come under my roof, but I know what authority is, You just speak the Word, and my servant will live. Just speak the Word.”

And Jesus said, “As thou hast believed, all right, go, thy son liveth,” and so forth.

⁶¹ All right. That’s His—that’s His Word. And His written Word tonight is a Seed that’ll take life as soon as you believe His Word, it’s just the same authority tonight over all sickness as It was then. And these supernatural acts is to bring your faith back to Him, quicken it right quick, see, make it quickened to Him.

⁶² Now, but Jairus, he just couldn’t see that when his daughter was dead. He said, “My daughter is dead, but come lay Your hands upon her.”

⁶³ Now, if Jesus would have said, probably, “I’ll speak the Word,” Jairus couldn’t hardly see Him speaking the Word, he wanted Jesus’ *hands* to be laid upon him. And as soon as Jesus took the daughter by the hand, it confirmed his faith, and there it went. Is that right?

⁶⁴ Now, many people say, “Brother Branham, the Angel of the Lord told you to pray for the sick. And I want you to personally pray for me, and I’ll get well.” Now, that’s—that’s right, that’s what he told me, but I know he will do the other way.

⁶⁵ But tonight, I’ve wanted to get the prayer line with- . . . maybe without the discerning part, and just pray for the sick. Oh, take them, not pass them through a fast line where they have to go through like that, talk to the person and pray for the sick. And I believe we can get a great number of them prayed for tonight.

⁶⁶ And then, I’ll do that if you’ll do this with me: If you will believe that I have told you the truth, and if I ask God, you have faith in my prayer that God will hear my prayer, and you’ll go out of here, and say, “Lord, I’m going to be well from right now. I’m going to believe it.” Would you believe that? I want to see how much audience I got to believe that. Well, that’s wonderful, that’s wonderful.

⁶⁷ I shall read a little Scripture here that’s always come to me. And then at that time, we’re going to start praying for the sick. Joshua, the 1st chapter, 2nd verse beginning:

My servant Moses is dead; now therefore arise, and go over this Jordan, thou, and all the people, unto the land which I . . . give unto them, even to the children of Israel.

Every place that the sole of your foot shall tread upon, that I have given unto you, as I said unto Moses.

From the wilderness and this Lebanon even unto the great river, the river Euphrates, all the land of the Hittites, and unto the great sea toward the going down of the sun, shall be your coast.

There shall not any man be able to stand before thee all the days of thy life: as I was with Moses, so I will be with thee: I will not fail thee, nor forsake thee.

68 You don't know what that meant to me when that, this first come to me; it's been my life.

Be strong and of a good courage: for unto this people shalt thou divide for an inheritance the land, which I swore unto their father to give them.

Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn not from it to the right hand or to the left, that thou mayest prosper whithersoever thou goest.

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written . . . : that thy ways may prosperous, and then thou shalt have good success.

Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest.

69 That's the Scripture that was ringed in my heart when I was sick. It's been something that's stuck to me since I was converted. I believe it with all my heart that God is here tonight, and that God is going to do great things.

70 I've kinda got to a place where I want to get more boldness. I want to take the initiative side, regardless of whether it's under the discernment, brother, I want to go forward and challenge the enemy in—in—in a bold, I'm more like a timid sort of a person. And I only try to work as I see the Spirit of God working, then I speak, and that's . . . But that's not exactly of faith, that's seeing exactly what's going to happen before you say it.

71 I want to step out with faith tonight, I want to come out with something new that I haven't done before, take the other side and say, "Satan, Jesus Christ sent me to do this. And you've got to leave the people!" And just make a bold command without even seeing anything, believing it with all of my—my heart. I believe God will confirm it, and great signs and wonders will be done. And I'm putting it to the test tonight, it's a new place.

⁷² All my life, I've wanted to read that Scripture in my lesson, Scripture lesson, knowing that sometime, that God was . . . what that meant to me. And tonight is been the time where I was going to come to the other side without the discernment, just going right out and pray for the people and command that spirit to leave the people that's got them bound, not knowing what it'll be, but put myself and them too out there on God's promise, stay right with it.

⁷³ He has told me if I pray for the sick people, that they would get well, and I believe it, I believe it. And tonight, as I just . . . I believe Satan is keeping me too cowed, that's right, he—he's let me just hold that there, I believe God wants me to move right out. And I'm going to go right out and start praying for the sick, and pray for as many as I can stand here and pray for, and that's right.

⁷⁴ Now, the discernment is here, God is here, oh, yes, He is, He's here. And I know the Angel of the Lord has been with me since over an hour ago, and I know that's true. The power of the Holy Spirit is right upon me now, that is true, this Angel of the Lord, and he's here and can discern anything, and that's true.

⁷⁵ But then, not so much for that, I want you to come and let me pray for you. For he told me if I would pray for the sick, and be sincere when I pray, and get them to believe me, that nothing would stand before the prayer. I believe it.

⁷⁶ Now, I believe the hour is come when that's been confirmed enough, it's been here for two weeks or more, you never seen it fail a time, and it never will fail, because it's of God. That's right.

⁷⁷ Now, my commission was to pray for the sick, and that's what I'm going to do. I'm going to pray for the sick, and just get as many as forty, fifty, sixty through a night, maybe more than that, maybe a hundred of a night, and just pray for the people, stand here and have a individual prayer for each one. And then I want them to leave the platform rejoicing and believing what I told them to be true.

⁷⁸ Now, I have spoke and God has confirmed. How many believes that's true, that He has confirmed what I have said? That's the truth. You—you know that, and now I want you to believe. But now, let's . . .

⁷⁹ For instance, someone might say, "Well, I believe maybe the Spirit left Brother Branham, like this."

⁸⁰ No sir, I've just told you from my heart, I'm stepping out on the other side to take the initiative side to claim my given rights from God, that He told me to pray for the people, and get them to believe it, and they would be, get well, and I believe it with all my heart.

Now let us have prayer.

81 Our Heavenly Father, I believe that I am right tonight, I—I believe it with all my heart. I believe that You want me . . . And these people are setting here, they're looking, and they're just wanting to come here, be prayed for, and many of them has accepted what I have tried to tell them in Thy Word. Cripples that's been crippled for years and years, was crippled many many years before I ever come on the earth they were bedfast and crippled, and tonight is a walking, and well, and normal people. Your Word is confirmed, Father, signs and wonders have been done.

82 But it seems that the people are just a little anxious for me to ask You individually for each one. O Father, I pray that You heal the people tonight. Grant it, and speak to Thy servant.

83 Now, Lord, if I am in Your will by doing this, may every one that I pray for tonight, or, I would say, Lord, knowing that many will come maybe that doesn't have faith, if You just let seventy or eighty percent of what I pray for tonight be back tomorrow night testifying it's . . . of the results that's happened to them, I'll go forward in faith, Lord, believing that I am moving according to Your will. I say not this for the audience to hear, but I'm speaking to You, Father. In the Name of Your Son, Jesus Christ. Amen.

84 Isaiah 53:

Who has believed our report? and to whom is the arm of the LORD revealed?

85 Now, my little boy, I think, has give out . . . You give out prayer cards. We want to pray for all of them, every one, and I, every one that I can pray for. Now, each afternoon they're given out, at night.

86 Now, we could start a prayer line and run a few up, bring a few under the discernment, it's here, God is here to grant this to us, but it isn't necessary.

87 But, how many here has got prayer cards? Raise up your hands, let's see, you that's able. Well, there's a group of you. What number did you start with? Fifty? Fifty-one to a hundred. That would make fifty. And maybe then for . . . What is the number, what's the letter? O? All right. And maybe then after that . . .

88 Is there anyone here that got old prayer cards from the night before, and the other nights back? Let's see your hands. There's a group of them here. All right.

89 Let's just have one or two up here, just to the platform, just to . . . I—I don't say they'll be healed, but that you might know the Lord is here to speak the things. Let's bring up prayer card . . . Now, I don't know your numbers. You're out there. Each one of you has got a number.

Look on your prayer card with letter O, and let's bring up . . . What did you say? Fifty-one? Let's bring up sixty-three. Ever who has got prayer card sixty-three, just to pull it out of the audience. Let someone out there . . . Look on the . . . Turn your card over there, you, and see if one of you, anybody here has got . . . Have you got it? Sixty-three.

⁹⁰ Now, just a moment. Now, let us just pray now, that our Lord will be near. I'm going to pray for every one of you tonight, I believe. All right, now everyone reverent. All right.

⁹¹ Is that the sixty-three? Um-hum. All right. I just want to, just to talk to the sister just a moment.

⁹² Now, how many understands thoroughly that I, let me speak this now, that our Lord Jesus commissioned me when I was born in this world to go pray for sick people? That's, my life is lotted to me to do that. How many understands that?

⁹³ And when the Angel of the Lord appeared to me (Down through life I did not know what it was, until he revealed himself a few years ago.), speaking this, that I was to pray for the people, and if I could get them to believe me, to believe that God heard my prayer, and I was sent to pray for sick people, that they would be healed of whatever disease they had. Now, do you understand that?

⁹⁴ And then I questioned the Angel, and told him that I did not believe the people would believe me. You understand that? And he give me two signs, said to do these signs before the people, and by this, they would believe that God had sent me to do this. See what I mean? Now, how many understands that? That's right.

⁹⁵ But just, that doesn't have anything to do with the healing. Oh, a person could come here and be ever so sick, you would tell them what was wrong with them, unless their faith is anchored in Christ, it—it's that. See? But this is the vindication.

⁹⁶ I wish this audience could feel just what I feel right now. It's a—it's a sacred, real . . . I just feel it just pouring over me now.

⁹⁷ The sick person is standing near me. And now, I do not know the lady, I—I never seen her. As far as I know, I never seen you in my life. And I—I don't know nothing about her, but God knows all about her, He knows all about her. I believe He would reveal to me what is wrong with our sister. Now, if He does, then God be glorified. I shall ask God to heal her, and if God does, we'll be thankful for the Lord to do it, won't we? All right.

⁹⁸ I want everybody to be reverent, while I just . . . This is just one out of the bunch, and just called her up. That's all right. Just so that you would know, and the lady knows here that there's—there's no way at

all that I'm, have any contact with her outside of, just have to be from the Holy Spirit some way.

⁹⁹ I wonder if you would just . . . If I could just have a place I could get her relaxed just a few moments; I feel the pressure of nervousness, that she's—she's nervous. It's . . . You just bring her a chair. I'll bring one, also, and just set down by you, just a moment, sister.

¹⁰⁰ Now, I do not want you to think, sister dear, that this is any other purpose but just for the glory of God. And it is the Holy Spirit of God that's here present now.

¹⁰¹ Now, to the audience, if I could get each person to set like this here, and talk . . . But I'm going to have to move myself around just a little bit because of the audience, it's just coming in with a vibration from the audience, as I would not say, some kind of a—a pressure of sickness pulling, I might get mixed up on what I'm saying to the lady.

¹⁰² But now, I wish just to set down and talk to you, sister dear. Now, you were probably surprised when I called your card tonight. [The sister says, "No, sir. I prayed for it."—Ed.] You had prayed for it. Well, you wasn't surprised. You believed that you were going to be called tonight. ["Yes, sir."] You did.

¹⁰³ Now, the order of me talking to you is only to contact you, to see what is wrong, like Jesus spoke to the woman at the well, and all at once, He changed His conversation, He said, "Go, get your husband." Isn't that right?

And she said, "I have none." He told her she had five. And then when that was done, why, she said, "I perceive that You are a Prophet."

¹⁰⁴ And our Master said, "These things that I do shall you do also. Greater than this shall you do," or *more*, "for I go unto My Father."

¹⁰⁵ And now, that's the purpose of me here tonight, is before this audience of people, and not for show my own, my Father knows that, it's for that they might believe on our Lord Jesus.

¹⁰⁶ And I don't know, that microphone is not, might not be packing that out, I don't know, but whether it is or not, I—I can't say.

¹⁰⁷ But I know that—that He's here, His Presence. And I believe that you feel and notice there's something going on, something taking place. The reason I'm talking fast is to keep It from speaking out, you see, until I got through talking to you.

¹⁰⁸ Yes, ma'am, you've got a serious trouble. Isn't that right? It—it isn't known by doctors what it is. Doctors don't . . . And you've been to specialists with it, haven't you? Isn't that right? You've been to some renowned men, great men, I see a great office. You, wasn't you examined, or *something another*, in a great office recently? Is that true?

And you have some kind of an infection or a poison that's went through you. Isn't that right? Itches you, it wants you to scratch. Isn't that true? Something happened then, didn't it? You're blessed, sister, of God. You're going to get over that, you're going to be well. The Lord Jesus . . .

109 Father Dear, You are here near. And I thank Thee for Thy goodness and mercy. Now bless our sister. The doctors do not know what's wrong with our sister, but Thou does, Lord, and You reveal all things to Your servants. And now have mercy, Lord, and bless Thy servant.

110 Satan, you who've bound her, come out of her, in the Name of Jesus Christ!

111 My sister, I bless thee, in the Name of Jesus Christ. Amen.

112 Now, you go from here tonight believing, and you're going to be well, and you go believing and thanking God with all your heart. Walk close, as you have been praying for that close walk with Him. Go, and just walk with Him, and believe Him with all your heart, and you'll be a well woman again. God bless you, sister dear.

113 I just take that just a little bit, so maybe I could get another one. Say, bring me prayer . . . What was her number, sixty-two? What was her number? Sixty-three. Bring me eighty, bring me prayer card eighty. Who has got prayer card eighty? O, eighty. If anybody here has prayer card O, eighty, or . . . Is it here? No one got prayer card eighty? Well, all right, you come then.

114 Now everyone reverent, please, friends. I want you to know that our Lord Jesus Christ is present to heal all those who are . . . [A brother says, "On the card it said, 'Skin disease.'" Another brother says, "Which is right."—Ed.] Well, our sister's . . .

115 [Brother Kopp says, "Yes, we just thrilled at how true that was, you see, Brother Branham not only knew the cause, the itching in the skin, and all that, but it was a poison all through her that the doctors couldn't explain causing it. Last night we watched the cards and not one thing missed the whole evening. I think that's remarkable."—Ed.]

116 Now, sometimes the people . . . I don't know what they write on their cards, that has nothing to do with it, that doesn't—doesn't mean a thing, the card. [Brother Kopp says, "But she had the itching on her skin."—Ed.] She had the itching on her skin, well, that's—that's all right.

117 How do you do? Isn't our Master lovely? Well, I—I love Him very much, and I—I believe you do, too, sister. Now the Spirit of the Lord is present, and our Master is always full of love and compassion.

118 You have a great faith, but there's something seriously wrong with you. You have—you have lost a lot of weight recently, haven't you? Much weight. I see a vision before me of a woman much larger than you are. And it's been brought down by some kind of a, it's a nerve trouble. Isn't that right? Not only that, but you have a something wrong, you can't eat. Isn't that right? I see. . . God bless you, sister. That's enough for you, you may go now. May God bless you, my sister, and be healed.

119 Almighty God, have mercy upon our sister, and bless her, in the Name of Jesus Christ, I pray. Amen.

120 Have you one for another reference? Do you have another one? All right. Call me a prayer card, let's see, call. . . What was that? Eighty? Well, call. . . Let's see, what would we call next? Say, ninety, let's call ninety. All right. What? O—O. . . Call it, for O, ninety. [A brother says, "O, ninety, he wants O, ninety to come. Who has O, ninety? Come right on."—Ed.]

121 Let Brother Hall call that one so he. . . All right. Everyone reverent. Is O, ninety not here? Then get O, one hundred. Oh, here. O, ninety? All right.

122 Come down, sister. Well, I appreciate you being in mission work, that's a—a great work to be in for our Lord, sister. I—I do appreciate any soldier of the cross. I—I love God's children, God loves His children.

123 And now, you're aware tonight that you're in Presence of a prophetic Being, aren't you? And it's a. . . I can feel the effect It's taking on your spirit now. And It's no more than the Spirit of our lovely Jesus, sister.

124 Now, you are a stranger to me, I—I do not know you. I know nothing of you, the only way that I'd know anything, would have to truly come through God. Is that right? It would have to come through God, there's no other way that I have of knowing you.

125 Now, but now, the people, I think a whole lot with we people, that we just, you know, just kind of take God as like the reading, and writing, and arithmetic, what we learn by the Word, and It just becomes a word, and we know that in our mind, but we're afraid to accept It, to bring It to life. Don't you think that? You do?

126 The reason I'm talking to you, just a little tightened up, you see, just a little upset, because of your calling here, and coming present. And anyone who comes near feels it, see, especially when I'm contacting that person. Now, you understand what I'm speaking of? All right.

127 Now, that you might not think, that you might not come. . . Which it isn't in your mind, but it is in some setting out there: mental telepathy.

Mental telepathy is to concentrate upon a number, or something, that you have in your mind, that's true.

¹²⁸ But the power of God, through a Spirit of a prophet knows things that you don't know in your mind. Isn't that right? All right. May God of Heaven grant that to me tonight, to know something to get, to encourage your faith, that you know nothing about in your mind, that you're not even thinking about. For God in Heaven, Who is my sole Judge knows I—I know nothing about mind reading, I know nothing of it. Only thing I see is a vision, and I tell what I see. You're conscious of that, are you? You believe that what I have told you is the truth?

¹²⁹ Your trouble is in your lower part of your body, it's in your bowels, I believe. Isn't that right? It's in your bowels. Now just a moment. I . . . You had some sort of a trouble when you was a child, a little girl. You wearing a, look like kind of a checkered-looking dress. Say, you had a fall, didn't you? Didn't you fall into a hole, or something, somewhere? Is that right? Did—did you fall into, I believe it was a well, wasn't it, or something like that? And it's, you've been injured. Is that right? God bless you, my sister. Is that true? You wasn't thinking nothing of that. If that's true, God is here to witness it.

¹³⁰ Our Heavenly Father, this poor child, since a little girl, has been injured, this accident has tore loose her bowels, Lord, and they're not right, but Almighty God, the Creator, bless this, our sister, and grant, Lord, that she may be healed tonight. O Father, I bless her for this purpose, that she might glorify You, in the Name of Your Son, Jesus Christ. Amen.

¹³¹ God bless you, sister. Go, with all your heart.

¹³² (And now, let's see now, what time we have? [A brother says, "Ninety-three."—Ed.] Well, reckon we had better start a prayer line?)

¹³³ Now just a moment. Now, do you believe with all your heart? Let us say, "Praise the Lord."

¹³⁴ Now, somebody here without, that hasn't got a prayer card, that nobody's . . . you haven't got a prayer card. How many here that hasn't got a prayer card, that's sick? Raise your hands, that hasn't got a prayer card, raise your hands. All right. There's so many of you, I don't know just where . . .

¹³⁵ Well, somebody concentrate down there, down in this corner, way down. Now just believe, some of you down there. All right. Just a moment now, everyone.

¹³⁶ I believe—I believe a lady there, I see setting right through here, that's got a white coat on, a white coat, setting right there, right through here by that gentleman. Right there, yes. Stand up just a minute, sister.

You believe with all your heart? You want to get rid of that tumor, don't you? You want to be healed. You have no prayer card, but Jesus Christ make you whole. God bless you and heal you of that.

¹³⁷ Now, somebody in this section with . . . look this way and believe now with all your heart.

¹³⁸ How about the lady on the stretcher there? All right, lady. I want you to look this way. I want you to believe that I am God's prophet. Not a . . . Not in myself, I have nothing to do with this, God ordained this to be so. Do you believe me? I—I am not able to heal you, my sister. Only Jesus Christ can heal you. But you being a stranger, and no contact with you at all . . .

¹³⁹ Now, you're, I see you're very thin. Yes. You've been bedfast for a long time, haven't you? I see a long stretch of darkness around you. Also this: You're suffering with heart trouble. Isn't that right? Is that true? Now, if you will believe on the Lord Jesus with all your heart, God will honor your faith, and you can be healed, now, now, it's not too far, I know you're awfully weak, but if you'll just believe on Him with all your heart.

¹⁴⁰ There's so many people pulling and trying. This lady here with this green-looking coat on, setting here, is trying awfully hard to come in contact with the Spirit of God. Isn't that right, lady? You was setting there praying, or something, for me to—to speak to you. Isn't that right? I'm not reading your mind, but that's true. Just stand there, or . . . you know. You believe me as God's prophet? Do you believe that what I say is the truth from God? To vindicate that, if I tell you what's wrong with you, will you believe me and accept me as God's prophet? You have cancer. Is that right? Jesus Christ make you whole, my sister. God bless you . . .? . . .

¹⁴¹ Everyone have faith, believe. Now, back in this section, just so that you know, those people without prayer cards, or something. Somebody that knows nothing, or plumb out of contact, back in here somewhere, believe.

¹⁴² Here, here's a lady setting here with a red coat on, setting looking right at me. Your trouble there, sister, yes, your . . . You look this way, kind of an aged woman. Yes. It's your eyes is what bothers you, isn't it? You got a . . . You got glasses. Of course, any . . . It look like someone . . . We . . . You . . . That's . . . God bless you, sister.

¹⁴³ Say, let the next lady raise up, next to you there, let her raise up, 'cause her . . . You with glasses on, people would see that. That's all right, you can be seated just a moment.

¹⁴⁴ You look this way, lady. Are you sincere? And you accept me as God's prophet? You believe that with all your heart? You believe that

I've told you the truth, that Jesus Christ blessed His humble servant from birth to come here, and these signs that I'm speaking of vindicates what I've said to be the truth? Lady, you're a stranger, I never seen you in my life. No way in the world. . . There you are, just setting there, a lady just come in, set down. Now, you believe that with all your heart and look this way.

145 My sister, God is going to reward you of your faith. You've been suffering with a stomach trouble. Isn't that right? Ulcerated stomach. I see you refusing food at a table. That's right. You're going to be a well woman. You go on out, and believe the Lord Jesus with all your heart, and you shall be made well.

146 Everyone that believes that with all your heart, you can. . . [Brother Hall speaks to the congregation for five minutes and thirty-six seconds and assembles the prayer line—Ed.]

147 Thank you, Brother Hall. All right, friends dear. That. . . I wanted to get back a little bit. The, that anointing is so strong, that when. . . it would interrupt me. . . and the people, if. . . As long as It's on you, you just keep feeling It, It jumps and pulls you like that.

148 Do you believe that I told you the truth? May God bless your dear, sweet hearts, every one of you. I love you, and I'm here to help you. Now, as they bring the people, may they. . . (You bring your patient.) Now, I just want to pray. And as you, I pray for you, you go through. Let the piano constantly play *The Great Physician Now Is Near*. Don't you believe He's here? All right. Now, everyone just coming through.

149 Come, mother. You believe now with all your heart?

150 Our Dear Heavenly Father, I accept Your Son Jesus now as the Healer of this woman, and Heavenly Father, I pray that she'll be healed tonight. I lay my hands upon her in commemoration of our Lord Jesus Christ for her healing. Amen.

God bless you, my brother. All right. All right.

151 You believe now, sister dear? You believe that Jesus Christ will make you well? You—you believe that He will. And you believe that if I'll ask Him, He will let you get well without telling you? You realize I know what's wrong with you, don't you? You—you know that? All right. And I—I want you to—to believe that that heart trouble will—will. . . Well, God bless you, sister.

152 Our Heavenly Father, I pray that You'll heal her, Lord, and make her well. I bless her, in Jesus' Name. Amen.

God bless her.

153 Now, sister dear, you believe with all your heart, do you? You believe that Jesus is here to make you well? Do—do you believe that

if I ask Him without telling you . . . You're—you're wanting me to tell you what's wrong with you, I know you do. But that's what your faith is in, isn't it? All right. Now, if I . . . I'm just going to pray for you and ask God to heal you, you believe you'll get well?

154 Our Heavenly Father, bless our sister, Lord, we realize that she must get well right away, and I lay my hands upon her, and I rebuke this demon that's binding her.

155 In the Name of Jesus Christ, thou demon called cancer, leave the woman, come out of her! Amen.

156 God bless you, sister. Go, and be well.

157 All right. Howdy do, sister? You believe with all your heart now, that you're going to get well if I ask the Lord Jesus?

158 I'm afraid I oughtn't to have had that discernment . . .? . . . [Blank spot on tape—Ed.] Amen. Let's say, "Praise the Lord," everyone, now.

That's right, sister. God bless you, sister. Amen.

159 Oh, my, now that's the way to do it: Come by and accept it, passing by.

160 You believe, brother? If you do, the arthritis will leave you, and you'll be well man. Go to praising God.

161 You believe, sister, with all of your heart? You believe the heart trouble will leave you? It has then. [Blank spot on tape—Ed.] Now go on, believe you're going to get well.

162 You believe, too, sister? God bless you. In the Name of Jesus Christ, receive your healing then.

163 Her sight come to her here. Let's say, "Praise the Lord," everybody. Let's stand up and rejoice, everybody, and accept the Lord now as your Healer.

164 Praise the Lord. That's the way, sister. Amen.

165 A blind woman received her sight, standing here, she threw her hands up to the light. Let's raise our hands and praise God, everybody.

166 Heavenly Father, thank You for Your goodness and Your kindness. How we love You and adore You, Thou Great Physician! Marvelous Thou art, Father, we love You and praise You. Get glory from these services, magnify Yourself among Your people. We love You with all of our hearts. In the Name of Jesus Christ, we praise Thee.

167 The audience said, "Praise the Lord." There's her daughter down there hugging her, and she's screaming, waving her cane around, healed. Amazing grace! How wonderful!

168 You believe, sister? Go and be healed, in the Name of the Lord Jesus. Go rejoicing and believe.

169 Amen. Aren't you happy? The Bible said, "And the people glorified God." Sure, you can't hold your peace, He said, "If they hold their peace, the rocks will cry out." A woman blind for them years, receiving her sight! Look at them weeping and crying and hugging each other here in the corner. It's marvelous. Sight flew into her eyes when she believed on the Lord Jesus. Now, it'll be the same thing to all that believe. Oh, my, how marvelous! Oh, how we love Him!

170 Now, just come one at a time and be in single file. She's just so happy she don't know what to do. All right. Well, if they're glorifying God, let's us, too. Praise the Lord!

171 O Jesus, we love You, and praise You, and adore You, You're wonderful and glorious. Magnify Yourself, Lord. Get glory now. Stir this city like never before. May the Holy Spirit literally wake up thousands because of Your glory, Lord. Grant it, through Jesus Christ's Name.

(Can I rest awhile?)

172 [Brother Hall says, "He's just going to rest a moment, then they're going to take the line through. Amen. All right, come right up here. Here's a lady that wants to testify. She was blind when she came through the line, but now she can see."—Ed.]

[The sister testifies of her healing—Ed.]

173 [Brother Hall says, "Amen. Now everybody be steady now, we're going to see greater things. Brother Branham is coming back in just a moment. Amen. You may be seated. God bless you. You may be seated. Amen. Now, it's all that's needed, my friends, if these folks will come through the line, looking unto God, believing Him, all they need to do is to just receive their healing. That's all they need to do is right here. Hallelujah. Amen."—Ed.]

["Now, Brother Branham, don't you do another thing, just stand there and let them go through the line and they'll be healed. Glory to God!"]

174 I tried to be honest, it's the truth, friends, He promised me that nothing would stand before the prayer. Now, everyone come reverently.

175 Come, sister. All right. You're wanting to be healed, aren't you? You believe that if I'll pray for you, you'll be healed? Wouldn't you like for me to tell you what's wrong with you? Heart trouble, wasn't it? You can go on, be healed now, mother, and be well.

176 All right. You believe, brother? Go on, get over your heart trouble, also, and be a well man . . . ? . . . the Lord Jesus.

177 Those people are healed as same as the blind woman was, they'll see it, they'll be all right. It don't physically show now, but it will be. Let's say, "Praise the Lord."

178 You believe, mother?

179 O, Lord God of Heaven, blessed be Thy Name, heal our sister now. In the Name of the Lord Jesus Christ, may she be well. Amen.

180 Believe it now. Go rejoicing, be happy. That's right. Amen. God bless you, sister. You've longed for this moment, haven't you? Your faith has made you whole, sister. Go and may you praise the Lord Jesus.

181 Let us say, "Praise the Lord." You believe it? Go rejoicing, stomping your feet up and down, saying, "Praise the Lord."

182 There he is, loosed from his arthritis and spinal trouble, that the Lord . . .

183 You believe too, sister? You want to get over your arthritis, don't you? All right, just raise up your hands, whack your feet up and down like *this*, go off the platform, you're free now.

184 Let's say, "Praise the Lord." Look, before I look at this woman, she had the same thing, is healed, too.

185 Didn't you have arthritis? Raise your hands up, stomp your feet up and down. Claim your victory right now, in Jesus Christ, you're free. Go off the platform rejoicing. Go and be healed, in the Name of the Lord Jesus Christ.

186 Oh, wonderful! Here it is, this is it. Amen. This is what we long for. Believe, sister.

In the Name of the Lord Jesus Christ, receive your healing.

Raise up your hand. That's right. Amen. Go off the platform rejoicing.

Be healed, sister. You believe?

In the Name of the Lord Jesus, I bless thee for thy healing. Amen.

187 You had many things, complications. You also had arthritis, didn't you? Raise up your hands, you're healed. Amen. Bring your feet up and down. That's right. Go off the platform happy. Amen.

188 You believe, sister? You want to get over that heart trouble, don't you? In the Name of Jesus Christ, may it leave you. Go off the platform thanking God for it.

189 Believe with all your heart for the trouble of this little baby. You believe it'll leave it?

190 In the Name of Jesus Christ, I bless this child for its healing. Amen.

191 Go, put a string around it tonight, measure it, bring back the part that shrinks off tomorrow night, for me. God bless you, brother.

192 Amen. Let's say, "Praise the Lord." Oh, my! Anything can happen. People, be God-conscious now. I'm not excited, but I know Who I believe. Believe with all your heart.

193 Receive your hearing, in the Name of Jesus Christ. Go off the platform rejoicing. Amen.

You believe with all your heart?

In the Name of Jesus Christ, be healed.

Go believing now with all heart. Raise up your hands.

194 Do you believe with all your heart, that God will make you well?

195 O Heavenly Father, I pray that You'll take this demon away from the woman.

196 Come out of the woman, in the Name of Jesus Christ!

197 Look, lady, you been bothered a long time, haven't you? Mental, nervous depression. Is that right? Demons, something haunts you and scares you. Is that right? You accept me as God's prophet? Raise up your hands, and say, "Thank the Lord for my healing." Go off the platform and forget all about it, be well. Amen.

198 All right, sister. You believe with all of your heart? Looky here, now, so that you'll get settled down now, you're nervous. You believe with all your heart? You believe that God sent me to do this? Never seen you in my life, as I know of, you're a stranger. Is that right? I want the people to know that the Holy Spirit . . . No matter . . . Think I'm excited, but I'm not. The Holy Spirit is here. Do you believe it? You're wanting to get healed of a cancer. Is that right? Go off the platform and be well, in the Name of Jesus Christ. Amen.

199 Let us say, "Praise be to God." Oh, my! This is what we need, this is it, this is the time.

200 Is this the patient? Howdy do, sister? Look like you're distressed. You believe me as God's servant? You believe that this Spirit of God is here now, if I shall touch you, you'll get well? You're an awful deep thinker, aren't you, sister? Got a weary spirit, too, always worrying about things you haven't got no business to be. You're nervous, upset, caused you to have acid in your blood, which has give you arthritis. Is that right? Go off the platform and be well, in the Name of Jesus Christ. Go and be healed.

Let's say, "Praise the Lord."

201 Believe, my brother. Do you believe with all your heart?

202 Heavenly Father, I pray that You'll bless this brother and heal him, in the Name of Jesus Christ.

203 Go believing now, my brother. Be well.

204 You believe, brother? Now you've caught my hand. Yes, sir. I know what's wrong with you, cancer. Now go off the platform and be well, in the Name of the Lord Jesus Christ.

Let's say, "Praise the Lord." You Believe Him?

205 Just a moment, now, some of them here didn't have prayer cards, hasn't got no prayer card. The prayer card don't have nothing to do with it. Now is the time to be healed. Remember, the Presence of the Lord is near to heal. You believe it? Look this way, audience, now look this way and believe that I've told you the truth, you shall see the glory of God.

206 What do you think about it, lady, setting there? You believe me? Stand up just a minute, so you'll be above that pull. You're a stranger, aren't you? You have no prayer card, or nothing. You just walked in this meeting and set down. Is that right? You've had an awful life before you, lot of worry, troubles. You've been studying here lately. Isn't that right? That's right, exactly. And you're suffering now with a cancer. Isn't that right? Go home and be healed, in the Name of the Lord Jesus Christ. Amen.

Hallelujah! All right.

207 How about the cripple, laying on the cot there? Look, why, I'm looking right between the arms, there . . . Wait a minute, brother. That lady there with her hands up, laying there bound up on the cot, look this way, lady. Do you believe with all your heart? You believe that God sent me here? You have no prayer card, do you? No prayer card or nothing. We're strangers, is that right? No way in the world will I have knowing anything about you, except it would be from God. Is that right?

208 I'm not able to heal you, sister, but if you'll believe on what I'm speaking, and what is speaking at me now, you'll get healed. You believe that? All right, you're just about dead, aren't you? You have a terrible tumor. That right? Why don't you stand up on your feet and accept your healing! Come out of that condition. You've been bedfast a long time.

209 Let her friends help her. Get her up. Stand on her feet till she receives strength. She can walk home. Take . . . The audience . . . Amen. There, she accepted it!

210 Everyone, just a moment. Have faith now . . . ? . . .

211 Just a minute, here's a man setting near the door, looking right straight at me. You have no prayer card, either, do you, sir? A little

fellow. Say, I see something strange about you, just a moment now, it may be the lady in front of you, here.

²¹² Just a minute now, everyone reverent if you will. Now there's a—a pulling now. Yeah, over this way a little bit, lady, will you? Let me see the man just a minute.

²¹³ Sir, you . . . That's right, *you*. Say, you're bothered . . . Well, you're crippled, you got . . . You're—you're crippled. You—you have a—a . . . Let's see, it's some kind of a something wrong in your spine has got you crippled up. Isn't that right? That is right. It's something like paralysis of the spine. Is that right? Is that the truth? Why don't you stand up and accept Jesus Christ as your . . . ?

²¹⁴ There he is, healed! Praise the Lord Jesus Christ! Let the whole audience believe on the Lord Jesus, be healed right now. Let's raise our hands, everybody, giving God praise.

²¹⁵ Heavenly Father, in the Name of Jesus Christ, we love You and pray, God, just now, that Satan will turn loose of everybody in this building and they'll be healed.
