
*JESUS CHRIST THE
SAME YESTERDAY,
TODAY, AND FOREVER*

 . . . down like showers coming into our hearts. Forgive us of our shortcomings. And God, as Elisha of old said, “Dig ditches, to make way for the water.” God, I pray that You’ll let every heart in here dig out everything right now, all the unbelief, throw it out, say, “I won’t have nothing else to do with it. Thousands of others are being healed around the world, why not me? Thousands of others are being saved, and enjoy the blessings of God, why not me?” And may they be saved and healed tonight, Lord. For we ask it, in Christ’s Name, and for His glory. Amen.

2 Excuse me for taking fifteen minutes of your other time. Billy, I don’t believe . . . I believe tonight we was just going to call . . . Well, let’s call a prayer line. We . . . they didn’t give out any prayer cards today. But what was, we give out last night? X’s, wasn’t it? X’s? I think that’s what it was. And we started, over, and taken from fifty, to sixty, or, seventy, somewhere, last night. Let’s start a little prayer line. Cause after preaching like this, I’d rather have the anointing of the Holy Spirit come down, for healing, before I get the line started. [Blank spot on tape—Ed.]

3 Dr. Cauble has one of the largest churches in Louisville, Kentucky; very prosperous man, there, in the Lord, a real Christian, borned again. And Dr. Cauble was to come to the meeting one time, he set around, and he seen the glory of God, and he’s humble-hearted. First time I ever had any contact with him, he’d had an operation, was bleeding to death, out in the hospital, in Louisville. And some friends, McSpaddens, they may be here tonight, too, told me that he was over there, and was bleeding to death. Said, “He’s a fine minister,” and said, “he’s not . . . he—he’s interdenomination. He’s just got a big church, there, trying to serve the Lord.”

4 I said, “Well, that’s wonderful.” Said . . . I said, “Dr. Cauble? Oh,” I said, “yeah, I heard his broadcast.” I thought, “Uh-oh.” That “Dr.” to Cauble, kind of fooled me. So I thought, “Now, maybe he’d get over there, and he won’t believe in no Divine healing; but they told me he was a nice man.”

5 So I went over, and when I went into the room, he was getting some of them priests and sisters converted, in there. And there stood missionaries standing all around, and all of them in there praying with him. So I slipped in behind a Coke machine out in the hall, and prayed for him. I went back.

In a few minutes his wife (lovely woman) called up, and wanted to know why I didn't come over.

Said, "I was over there, but I just couldn't come in, there was so many preachers in there."

6 So then, she wanted me to come back. And I thought, "My." I walked over, and prayed for Brother Cauble, the Lord come down, stopped the blood, healed him. He went down to Jamaica. That's Brother Cauble, Dr. Cauble setting back there, in, from Louisville, Kentucky.

7 Not long after that, he had a little girl. She was very sick. He followed along in the meeting, very humble. If he didn't get a prayer card, that was all right. And he just went along, kept going into the meetings. And one night, in Chattanooga, Tennessee, wasn't it, Dr. Cauble? Chattanooga. And we were talking together, and the little lady had come, and was setting on the bed, and there the Holy Spirit come down, and begin to unravel that girl's life, and spoke out just what the cause was, what was the matter, and what would happen. And God healed the girl, setting there, and is perfectly normal and well, to this day.

8 I think Brother Cauble used to belong to Church of Christ. I'm not sure, I think that was right, his people from out, around, in there. And now he's got the baptism of the Holy Ghost, and having a wonderful time. All right. [Blank spot on tape—Ed.]

9 One meeting to another. I've never done this before, Dr. Cauble, in my life. Brother Baxter's gone from me. He's gone up into Boston, and they're making the Indian reservations, for going over there to India. And so, I'm left here, there wasn't very many here, so we thought we. . . I could have it myself. So, I'm just slaying and eating, having a good time. But I don't know about whether it'll. . . In the praying for the sick now, everyone, I've told you, maybe, one of these nights, if the Lord goes to leading. . . [Blank spot on tape—Ed.] Want to try to get a group of ushers to stand here right in a row. . . [Blank spot on tape.]

. . . only believe,

All things are possible, only believe;

Only. . .

10 Come, dear Lord Jesus, I pray that You'll help me now. Grant, Lord, that Your Spirit and mercy, over me. Send Your Angel, O God,

help Thy humble servant just now, I pray, God. I'm left here, just, to do the preaching and this together, and I pray that You'll help me, in Jesus' Name.

¹¹ I wonder if you'd do this with me. Would you raise your hand? And not, "Only believe"; "Now, I believe." Let's sing it this way: "Right now, I believe."

Now I believe, now I believe,
All things are possible, now I believe;
Now I believe, now I believe,
All things are possible, now I believe.

¹² Father, now come near. May Your Spirit hang near us now, in mercy, for the sick and the needy. For I've tried to preach what was the truth, in the conviction of my heart. And I pray now, that You'll send Your Angel, to vindicate that It's truth. Grant it, Lord, I pray, in Jesus' Name. And now, Lord, as I go forward to challenge these enemies of human life, I pray that You'll go before me, and help me. In the Name of Thy Son, Jesus, I ask it. Amen. [Blank spot on tape—Ed.]

¹³ We're strangers? We are strangers. Yes, ma'am. I just want to talk to you just a few moments because it's just like when our Master was here, now see, Jesus rose from the dead, did He? You believe that? You ought to, being a Christian, you ought, you believe that. Jesus rose from the dead. Then He's not dead. He's living, isn't He? And then He promised to be in His church and do the same things He did there, down until He come again. The Holy Spirit, Jesus Christ in the form of Spirit. You—you—you believe the Holy Spirit is Jesus Christ in the Spirit? "A little while and the world seeth Me no more; yet you'll see Me, for I'll be with you, even in you, to the end of the world," see, "the same yesterday, today, and forever."

¹⁴ Now, I know nothing of you, but I'm just trying to talk to you, in order to find your spirit, we being brother and sister in Christ. And I know nothing of you, and you know that's the truth; I don't know one thing about you, never seen you, in my life.

¹⁵ But, I'm trying to represent God's Bible to the people. And oh, how many times It's misused, but that's a cause of the day. Do you believe that? We're living in this day where they got to be that way. See. Ain't nothing we can do about it. But God will call a number of people. Don't you believe that? He will. He will.

¹⁶ But now, the, "ye shall see Me": the *ye* is "the Church, the believer." Now, if you are a believer in Jesus Christ, then I can help you. If you're not, I couldn't.

¹⁷ But, you are a believer; so then, being a believer. . . If you wasn't, I'd know it; for God would tell it to me. I believe He would. He might

not, but I believe He would. He's never failed me yet, and He would let me know. Well, then if you are a Christian and a believer . . . Then, there's something wrong with you.

18 Now you feel real odd and strange, but that's nothing in the world but the Angel of the Lord, moving in on this side. That's exactly what it is. It's coming to me now, see. Now, it's not to hurt you. It's to help you, to get you to believe in (What?) Jesus Christ; that's the only thing it can do.

19 Now, you remember when our Master talked to a woman at the well at Samaria? He said, "Bring Me a drink of water." And she went and got Him a drink, or, was going to get Him a drink. She seen He was a Jew and said, "Why, You're a Jew. Why did You ask me, a Samaritan, such thing?" "Why," (she . . . He said . . .) "it's not customary," she said.

20 "But," He said, "If you knew Who you were talking to, you'd ask Me for a drink." And He went ahead; and after while, He found where her trouble was. He went right straight to her trouble, and told her where it was. You remember what it was? What was it? [The sister answers—Ed.] That's right. She had several husbands. She had five husbands; and He said the one she lived with then, wasn't her husband, so that made six.

21 "Why," she said, "I perceive that You are a Prophet." Now, she . . . He . . . she didn't say, "Why, You're reading my mind." Said, "Why, You're a prophet." She said, "I know Messiah cometh, and He'll tell us all thing."

He said, "I am He, Who you're talking to."

22 Why, she run in the city, said, "Come, see a Man, Who told me everything I ever done." He didn't do that. He only told her one thing. But if God could tell Him one thing, He could tell Him everything. Do you believe that? Jesus said, "He could do nothing, except the Father showed Him."

23 Now, here's your trouble: It's something wrong in your back. It's a back condition, a spinal condition. Isn't that right? That's exactly right. That's been for some time, too. I've seen you have it for a long time. You been examined by it many times, taken treatments, everything, nothing seems to do any good. Is that true?

24 Say, that baby's got the s- . . . a spinal trouble, too, something wrong with its spine. And you've had it operated on. Is that right? And they don't know what to say about the baby. It's undecided, yet. Isn't that right?

25 Mother, with the fruit of your womb there, you heard that Voice talking? That was my voice, but it wasn't me speaking it. It was Something that told you about your life, and you know, whatever it was, it was the truth. Was it? If it was, say, "Amen." [The sister says, "Amen."—Ed.] It was. Now, He's—He's bound to be here, Something that knows you. Is that right? ["That's right."] We'd talk just a few minutes longer, It'd tell you other things.

26 You believe if I'll ask God to help you, and I believe it was the baby, too, is that right? You? Both of you? You believe that He'll do it? [The sister says, "I do."—Ed.] Come here.

27 Merciful God, I come now, as Your servant, in a way of a Divine gift called prophecy, a prophet. I pray that You'll heal this woman and her baby. May they go off of this platform, tonight, and both of them get well, and be bothered no more. I ask this blessing, in the Name of the Lord Jesus. And now, Lord, as this poor little innocent baby, laying here, and has no way to have faith; then, Father, it's not left to the baby, but it's to us. And now, Father, help Thy servant to have faith; and as I go in this channel, to challenge this demon that's tormenting the baby, help, Lord.

28 Now, thou demon, Satan, that's bound this child, I come in a challenge, a duel of faith. I believe that Jesus Christ rose from the dead. He died at Calvary, first, and took every power you had. And I stand as His representative, tonight, to say to you, you've lost hold on this child. In the Name of Jesus Christ, come out of it, and leave it.

I bless thee, my little friend, in the Name of the Lord Jesus Christ. [Blank spot on tape—Ed.] . . . ? . . .

29 Believe that, well you watch the baby and see if it's not right. "In My Name they shall cast out devils." That baby's too little to have faith. It has to have our faith. And I know with love to God, then in love, and faith accompanies love, and when those two meet together, something has to happen. And our Heavenly Father can't tell us a lie. He wouldn't write it in His Book, and let us have it. He said it was given to us. Now, you adults, you're old enough to have faith for yourself, but that baby can't. That's right. So it takes our own faith for the baby.

30 All right, sister, look this way. Do you believe that the things that you see done come from God? You do. I believe that you're telling the truth. [The sister speaks to Bro. Branham—Ed.] Do you? How long have you loved the Lord? ["Seven years."] He gets sweeter all the time, doesn't He? [The sister continues speaking. Blank spot on tape.] All right. About six years, the Holy Ghost.

31 Now, I was just talking to you for something, to see what was wrong. You're in a serious condition. You're up for an operation. And

that caused, from something in your side, right. . . no it's in here. It's a gallbladder condition in the stomach. Isn't that right? [The sister says, "That's what the doctor said."—Ed.] That's exactly right. And don't you have a . . . I see him putting something around your arm like that, that little fellow, it's a blood pressure, and it's low. Is that right? ["That's right."] The blood pressure is low, and he can't operate nor nothing, on account of your weakness condition. Is that the truth? ["That's right."] All right. Come here a minute. The God of Heaven will help you to be strong, sister.

³² Almighty God, have mercy upon the woman, as I lay hands upon her in commemoration of my Lord's Word. He said, "These signs shall follow them that believe; if they lay hands on the sick, they shall recover." I ask for her healing, in Jesus Christ's Name. Amen.

God bless you. Just go, have faith now . . . [Blank spot on tape—Ed.]

³³ . . . all your heart? All right. Are . . . You and I are strangers. [Blank spot on tape—Ed.] . . . ? . . . the Lord with all your heart? He's wonderful, isn't He? You believe me to be His prophet? With all your heart?

³⁴ Haven't you had some kind of a fall or something? You hurt yourself in your side, you've, it's something in your ribs or something; you're having severe pains. Isn't that right? That's right, right under there. I see you, when you get up of a morning, you have to hold yourself like, way. Isn't that true? You was stepping off of a street the other day, or, something other, I see you catch yourself like *that*, 'cause it hurt you when you stepped off of a high curbing. Is that right? Now come here.

³⁵ Lord Jesus, I pray for mercy for the woman, and I ask for her to be healed. May this leave her, and may our sister get well, as I bless her, in the Name of Thy beloved Child, Jesus Christ. Amen.

God bless you, sister. Now go, happy. You're going to get over it. It's all right. [Blank spot on tape—Ed.]

³⁶ . . . ? . . . in this direction. It's that woman there. You got a goiter, haven't you, sister, that's there? That's right, inward goiter. Isn't that true? Put your hand on your throat now.

³⁷ Lord Jesus, I pray that You heal her, that choking spirit, hanging there, screaming and pulling. I pray that You'll heal her, and may the devil leave her, in Jesus Christ's Name. Amen. God bless you, sister. You accept your healing now? God bless you. Have faith.

³⁸ Come here, lady. I believe we are strangers, too, are we? We are. I do not know. You're just some lady that come up, out of the audience, there, picked up a prayer card. There's hundreds of people, setting there

tonight, don't even have a prayer card. Her either, neither, but she—she's healed just the same, see. See, it don't take . . . The prayer card has nothing to do with your healing. It's your faith in God that does the healing. Just believe Him, and God will grant it.

³⁹ Now, if there's anything wrong with you, God will reveal it. And, of course, you're wearing glasses, I see that. Anyone sees that. There may be something else that's wrong with you, that—that . . .

⁴⁰ No, you got a heart full of sorrow because death lingers near your door. A black spirit hangs near your door, and that's because of your husband. Is that right? The man's got something wrong in his head. I believe it's, the doctor said, it's a cancer in the brain. Is that right? And isn't he kind of disturbed about something? It's about his salvation. He isn't too sure about his condition. Is that right? Oh, may God have mercy. Come here. Give me that handkerchief.

⁴¹ Lord God, from the body of Paul they took handkerchiefs and aprons, for they knowed that he was anointed with the Holy Ghost. Now we're not Saint Paul, but You're still the same God, and You're still the Holy Ghost. And I pray, God, for mercy for that man, especially for his soul, Lord, just at this time. I send this handkerchief by his wife, and I pray that he'll be healed, physically and spiritually, in Jesus' Name. Amen.

⁴² You've been suffering with female trouble . . . ? . . . (Isn't that right?) yourself; you was healed, then, of that. That come up. That's gone from you. Now, go lay that on your husband. Let no one touch it. Put it in your pocketbook. And may God grant your healing, and bless you.

⁴³ People, you ought to believe. When the prophet, Moses, went down, he didn't have to go down and show his sign. God told him He'd give him two signs to prove that He had sent him. That was, Divine healing, was one, and another one, was to perform a miracle. Is that right?

⁴⁴ The same Angel of the Lord (I don't say it was the same one), He told me, "As the prophet Moses was given two signs, so will you." And here it is. You don't have to think about it, just quit trying to figure out, just believe, have all your heart set right into it.

⁴⁵ You're trying to believe, sister, honey, setting there. You are. Isn't that your mother setting next to you? I can tell you what's wrong with you, but I can't heal you. You're wondering about your prayer card; and about *this*, *that* and the *other*; and why you didn't get it; and everything, like. You don't need no prayer card, sister. You believe me to be His prophet? You was praying there. Yes, sir. You do. Well, that's fine. You have sinus trouble. Is that right? And your mother has arthritis. Isn't

that true? Now you put your arm around mother, and mother, you put your arm around the daughter.

46 Lord Jesus, I pray that You'll heal them both. They're setting there, praying, I seen the Angel of the Lord over them. May the sinus leave and may the arthritis come out of them, in the Name of the Lord Jesus Christ. Amen.

God bless you. Go on your roads happy now, and may the Lord be with you, and help you.

All right. Be praying, having faith. All right. Bring the lady.

47 How do you do, lady? Are we strangers? Yes, ma'am. Never saw me before. All right. Do you believe that the things that you see done are of God? You do? You do. You have a stomach trouble, don't you? Yes, ma'am. Yes, it's a . . . it's caused from a—an acid condition in the stomach. It's got ulcer in the . . . right in the bottom of the stomach, causes severe . . .

48 Here's another thing that's wrong with you: You need the Lord Jesus as personal Saviour. You're a sinner, haven't accepted Christ. But, you want to accept Him, now, as your Saviour? You do. You do. God bless you. Your sins are forgiven, your stomach is healed.

49 Say, isn't this woman here some connection with you? It's your sister, isn't it? Look here, lady. That's right. I thought I felt, you are a Christian. That's right. And you have something wrong in your chest, an asthmatic condition. Take your sister, both spiritually and physically, walk off the platform; your sins are forgiven; you're healed. God bless you. Walk with her, and do the same thing; the Lord be with both of you. Amen. There.

Let's say, "Praise the Lord." Both of them; she's saved. Have faith in God.

50 Come, sir. You're having an awful trouble with your nerves, aren't you? You want to accept Christ as your Healer and be healed? That's followed you a long time, hasn't it, Dad? God will make you well, if you'll believe it. Is that right?

Lord Jesus, bless the man who I bless in Thy Name, in Jesus Christ's Name. Amen.

God bless you, brother. Go rejoicing. Get your mind set up there, and believe now. Believe with all your heart, God will bring it to pass.

Are you believing?

51 Come, lady. Oh, how lovely. Isn't He sweet? You want to get over that diabetes? You want to accept Jesus now as your Healer? Raise up your hand, say, "I accept You, Lord Jesus, as my Healer, for this

diabetes.” God bless you. Go, now, and as you have believed, so be it unto you.

Come, lady. Do you want to get over that heart trouble? All right, go right on, and believe it now, and you’ll get over, and be well.

Are you having faith? Believe. All things are possible to them that believe. All right. Come believing.

⁵² You want to get over kidney trouble? Be made well? You accept your healing now? All right. Go on your road, rejoicing. God bless you, make you well.

⁵³ Come, little lad. What a fine little boy. You love the Lord Jesus, sonny? You go to Sunday school? I want to ask you something, sonny. What if—if tonight, you standing up here on the platform, what if you would . . . if Jesus was standing here, having on my suit? Now, as far as healing you, He’s already did that, when He died at Calvary, see. But He would know what was wrong with you, wouldn’t He? And He would tell you what was wrong with you, and He’d lay His precious, sinless, nail-scarred hands on you, and you’d get well. Wouldn’t you? But now, do you believe?

⁵⁴ My hands are unworthy to represent His, but whose would be worthy? That’s all. That’s right. But now, if He is in this form of the Holy Spirit, here tonight, working through the church in a channel of Spirit, then He . . . you believe He sent me to take His place, to pray for the sick people? You believe that?

⁵⁵ You suffer with your stomach, don’t you, honey? It’s stomach trouble. You’re nervous. Your mother is nervous, too; both of you’re nervous. It come: you inherited it, sweetheart. But come here, you’re going to be made well.

Lord God, have mercy on this little, tender-hearted child standing here, the tears drop down in his eyes, little child-like faith.

Satan, leave the child. Come out of him, in the Name of the Lord Jesus Christ, I adjure thee, by His stripes this boy is healed. Now leave him.

⁵⁶ I bless thee, my little brother, in the Name of Jesus Christ, the Son of God, that you go now, and get well. You tell the children around school, when they can see you eating and enjoying it again, tell them what Jesus has done for you. The Lord bless you. Amen.

Let’s say, “Thanks be to God.”

⁵⁷ All right. Come, lady. You want to get over that female trouble? It’s almost to an . . . well it is an abscess, but it could run to cancer. But if you want to accept Christ as your Healer now, He’ll heal you right here. You believe that?

58 Lord Jesus, I pray for the woman's faith that it won't fail now, as she's accept You. You prayed for Peter, one night, You said, "Peter, Satan has desired to sift you: but I prayed, that your faith fails not." Not his morals, his morals did fail; but his faith didn't fail. Now, Lord, I pray that her faith will not fail through this test of faith, and may she be healed, in Jesus' Name, I ask it. Amen.

Now, go rejoicing, mother, as that you never did have it, and go on.

And thanks be to God, that give us the victory.

Let's say, "Praise be to God." How wonderful.

59 [Blank spot on tape—Ed.] . . . ? . . . little lady. Yes. It's right in there. There's an arthritis case, somewhere, setting right there. I seen a young person with arthritis standing in . . . Here it is, right here. All right, lady. Stand up. Your prayers has been answered. God has healed you. Amen. It was right, straight in line with that young lady. I could see it break there, and it went away from me, and I wondered what it was. All right. You're healed now. You can go home and be well. God bless you.

Let's say, "Thanks be to God."

60 This your last patient? All right. Come, lady. You believe the Lord Jesus will make you well? You believe if I just ask God, and lay hands on you, He . . . you'd get well?

61 Lord Jesus, help her tonight. May she be made well. May the Spirit of God come to her, and heal her and bless her and send her home, a well person, in Jesus Christ's Name, I ask it. Amen.

God bless you, sister. Go rejoicing and happy now, and blessing God.

62 I'm getting so weak, I can hardly stand here. You might not understand. Looks like, looking out over the audience, the whole thing's becomes milky-like all over the audience, everywhere. I just can't hardly see back to the back anymore. You realize, that, that's just pulling the life right from me.

63 Young man, I know what's the matter with you. I can't heal you, but I know what's wrong. It's epilepsy. But God is the only One can heal you. Do you accept your healing now? Is that the truth? Is it epilepsy? All right. Stand up on your feet and say, "I accept my healing." It's a devil. That's right. God bless you, young man. Go, and be made well. God bless you. All right.

64 Come, sir. Do you believe with all your heart? If I be God's prophet, you couldn't hide your life from me. If the anointing of God is upon me, then that's true. If you'd try to stand there any other way, something might happen to you. You know that's true, right at this time.

65 [Blank spot on tape—Ed.] . . . be healed? All right, stand up and receive your healing. I thought it left from that boy, and went towards you. I couldn't tell, it was over the boy again, but it's over you. All right. God bless you, now. Go, and be made well.

66 Sir, do you believe me to be His servant? You have a—a rupture. Is that right? You believe God is going to make you well? Now, it's your faith that heals you. I'm only . . . I . . . This is only a Divine gift, to point you to Calvary. Is that right? Say, I see something materializing before me by your side. It's a—it's a woman. It's your wife. She's sick, too: blood pressure, high blood pressure. Is that right? Go home, you're both going to get well, I believe.

In the Name of the Lord Jesus Christ, may it be.

67 Do you believe? Do you believe He's here? Then, listen to me. Listen to me, a minute: If God is proving that I'm telling you the truth, don't doubt anymore. [Blank spot on tape—Ed.] . . . ? . . .

68 It's—it's a . . . some . . . Right in there, there's a thyroid gland. Setting right there. It's right there. Yes, it is. I see it. That's right. Raise up. I knowed the Angel of God was over that woman, a few minutes ago, there. All right. Now you can go home, and get well.

69 The rest of you, do you want to believe at this time? Sovereign grace. He went back the second time to her, so that she could be healed. God is here to heal every one of you, if you'll believe it. Do you accept it? Then stand to your feet. If there is a cripple anywhere in the building, throw away your crutches. If there's a blind person, pull back the scales. If there's a lame man, shake your feet up and down. Give God praise. In the Name of Jesus Christ, get healed. [Blank spot on tape—Ed.] . . . ? . . .

70 And God has now done it for His glory. Let's say, "Praise the Lord," everywhere. [Blank spot on tape—Ed.] . . . ? . . . We got what . . . ? . . . [Blank spot on tape.] . . . ? . . . every person in the building. You believe it?

71 Now, I want someone, now, who will believe with all their heart, all their soul, all their mind, to say, "Lord Jesus, I now believe that You've healed me." I want to know if you believe it. Why, friends, the Holy Spirit is here; can do anything, and all things, and . . .

I wanted to finish out my prayer line here, if you'll stand, just a minute. I called these people here, and I—I want to see them healed.

72 I want to see . . . There was somebody healed in this section, a while ago, here, a—a baby or something. I—I could see It circling around. I thought maybe someone might be able to see the Angel of the Lord in

Its form, like that. Oh, how marvelous, how God did it in that way and just look at the . . . just to let you know.

⁷³ I'll tell you, some people think that it was mental telepathy. God has did this for a purpose. You see, it's not mental telepathy. How could I see people out there? You see? That proves it to you. It's the power of God.

⁷⁴ Where was the little girl, was healed? Right in here. There's a little child. I kept seeing It, come two times, and went back again. Oh, that's the little girl. What was her trouble? [Someone says, "Yellow jaundice."—Ed.] Yellow jaundice. Well, well, that's, sure is too bad. All right. Did . . . ? He pronounced her to—to be, she'd get all right? All right. Don't fear then, have faith.

⁷⁵ Now, let's stand in faith, just a minute. Let this lady come here, just a second. Now, stand in faith, just hold with me, a minute. Lady, do you believe me to be His servant? All right. Audience, now, in the light or out of the light, or wherever it is, God is still God.

⁷⁶ Lady, you want to get over the asthmatic condition? You do? Then accept Christ as your Healer, go along on this road, rejoicing, and God will bless you. You believe that?

⁷⁷ Our Heavenly Father, I pray that You'll bless this old mother, and may she leave here rejoicing and happy, and be made completely whole, in Jesus Christ's Name, I ask it. Amen.

⁷⁸ God bless you now. Don't . . . Yes, sir. It's a little lady with a red skirt there. Haven't you been having some kind of an effects, too, lady, from an operation or something another like that? Isn't that right? That's what I was holding up on, to see what was the matter with you. You, some connection with that baby, there. Is that right? All right. That's exactly. I thought so. I seen you stand . . . You can't get over that, hardly. Is that right? But now God is going to let you get over it, now. God bless you. Now you go, and be healed. And the Lord will bless you, and make you well. Now, don't have no doubts, just believe, uh-huh, and God will grant it.

⁷⁹ Now, we're kind of all scattered up and tore up and everything now, but the blessings of the Lord is upon us. Now, how many here, that was sick a few moments ago, believes that God has made you well right now? Raise up your hand. Say, "I believe that God has made me well right now." Looky here. Look all over the building.

⁸⁰ How many people that really, that you feel that you couldn't have raised your hand up a while ago, and now raise your hand up? Is there any person here that had a stiff arm, that couldn't raise your hand up, and you can, now? There's a lady up there, waving her hand back up

there, atop. Looky there, both hands up straight in the air, who could not raise her hands up, and there they are raised up.

Why if you're laying on cot, stretcher, whatever it is, get up and go on. God has made you whole. Can't you believe that?

⁸¹ Oh, He's marvelous and wonderful, good to us. We could just only . . . just accept Him as . . . Is there anybody here that would . . . couldn't see, that can look up now. If you've been blind, can hear my voice, and you been blind, look up towards the lights. Look where you can, and see if, just, God hasn't touched your eyes. If He has, raise your hands as a testimony. Is there one of those in the building? Anywhere around? Look up now with faith. Look, say, "Lord, I believe right now."

⁸² Here's a lady right here sa- . . . Her husband's been leading her around for a few days. He's been healed himself, and now the lady is healed, was standing here, couldn't see. Let's say, "Praise the Lord." Why, sure. How many in your physical con- . . . There it come to her then. Did you see her throw both hands?

Why, it's right here to heal every one of you, make you every one well. Oh, how thankful we are to the Lord. Why, my.

A heart trouble, lady, it's left you, standing back there now. Just go home rejoicing, thanking God, because He has made you well.

Let's say, "Thanks be to God."

⁸³ Oh, how glorious our Lord Jesus is. Why, He's just standing here, healing the people right around over the audience. I'm standing here, watching it take place, calling it right out, as it goes. Now, He's maked everybody in this building whole, right now. Do you believe it? All right. Now, let's just put our hands over on one another and give one hand on your . . . somebody near you, and say, "Now, Lord, we're giving You thanks."

⁸⁴ How many here . . . was there a sinner here, would say, "Brother Branham, I want to accept Jesus, in this prayer, as my Saviour"? Let's see your hands go up, a sinner. God bless you, sir. God bless you. God bless you. God bless you. How many more would want . . . ? God bless you, lady. God bless you, lady. All right. Who else want to accept Christ as personal Saviour, right now in this meeting, right . . . ? God bless you. Here's about a dozen already. Back in the back, God bless you. Someone else now, back . . . God bless you. God bless you. And you, you, way back there, I see your hand, standing in the door, way back in the back. Who wants to accept Christ as personal Saviour right now? Raise up . . . God bless you, you. There's about fifteen now. All right. Someone else. You, you. Eighteen. All right. Someone else

say, "I want to accept Christ as personal Saviour." There's eighteen conversions right here, standing here, now.

How wonderful! God healing, God saving.

Now, how many here would like to receive the Holy Ghost? Raise up your hand. How wonderful.

⁸⁵ I feel that right at this time, while God has did something here for us tonight, that, I don't know why He done it, but He has done it. I believe that God, right now, is wanting us to make an altar call, an old-fashioned altar call, and get people come down here, and get saved, here, right now in the meeting, and get filled with the Holy Ghost. Do you believe it?

⁸⁶ Now, I want you to, now, while you're standing up, I want the pianist to give us a chord there, just a moment. And I want everyone that wants to be a Christian, as they file by, coming by here to shake my hand, we'll go over to the tent, and we're going to have an old-fashioned pouring out of the Holy Ghost, in a few minutes, I believe, like you've never seen before. All right.

⁸⁷ All you that wants to become a Christian, and wants a interest in my prayer now, as you go to the tent (Let the ushers stand here to help them to the tent, so we can get over there, afterwards.), come right down through here, if you will, or, right around this way, coming to the tent. While we sing, *Almost Persuaded*, if you will, sister. All right.

"Almost persuaded. . ." (God bless you, brother.

Right to the tent now.) now to believe;

⁸⁸ All right. That's the way. Come right down. God bless you, sister. God bless you, brother. Right straight to the tent now. God bless you, brother. Right straight.

Oh, "Almost. . ."

⁸⁹ God bless you, little boy. Go right this way to the tent. God bless you, my brother. Right to the tent. . .? . . . [Blank spot on tape—Ed.] God bless you, young man, to give you the Holy Ghost. God bless you, Dad; save you now. God bless you, sister. God bless you, brother. God bless you, sister. My, just look, coming, friends. Why the devil is defeated. God bless you, brother. Right down this way to the meet- . . . God bless you, sister. [Blank spot on tape]. . .? . . . piano now, if you will, now.

"Almost persuaded" now to believe;

"Almost persuaded. . ."

⁹⁰ [Blank spot on tape—Ed.] . . .? . . . What the Holy Spirit had done. Look what's driven over there, hundreds; and people standing over

there, seeking salvation for their soul, and—and also for the baptism of the Holy Spirit.

⁹¹ Is this lady here going to seek the Holy Spirit, too? The Lord bless you, sister, and give you. All right, sir, just go right on, the Lord be with you. All right.

⁹² Is there another sinner would like to take the way that's here tonight, and doesn't know yet, don't know that your sins are under the Blood? Would you come forward at this time? Would you raise your hands, and say, "Brother Branham, I'm one. I'm going now to the tent, back over here, for instructions, and to pray, and to be saved tonight from a life of sin"? Will you—will you raise your hand, say, "I want to accept Christ as my Saviour"? [Blank spot on tape—Ed.]

⁹³ Angel of God that's over the . . . that picture there, tonight, is the same One Who's directing me to make this altar call. That's the same One Who permitted the lights to be out. It's the same One Who did that for a purpose, did just exactly what He's doing right now, for God's glory. And now, if you believe me to be His servant, remember, I am led now by the Holy Ghost to make this call for sinners to get to the altar and to be saved.

⁹⁴ And for seekers of the Holy Spirit, I believe, if you'll go over there and be sincere in your heart, that every man and woman that goes in there, with a sincere heart, will come out with the baptism of the Holy Spirit. What a time, what a night. God bless you, sir, just keep moving, right to the tent. God bless you, and God bless you, as you come along. That's fine and dandy; and even young folks. That's wonderful. Just as long as you're going to come, friends, I'm going to call on God to—to bless you and to bring you. [Blank spot on tape—Ed.] . . . ? . . . everybody with the baptism.

⁹⁵ I see some hands are not up. Wonder why you don't re- . . . seek for it tonight? Tomorrow may be too late. Pestilence and things are striking the earth everywhere; hundreds are being killed in cyclones and everything else; might be your turn next. You'll think about this; there'll be a time in Eternity when you'll remember this night. If you reject Jesus Christ tonight, it's hard to tell what might seal your doom forever.

⁹⁶ If you're here without Christ, if you've belonged to some, "Just join the church . . ." I believe in joining church, but that ain't it, you got to be borned again. You're not born, filled with the Holy Spirit, brother, you, I don't know. Jesus said, "Except a man be borned again, he will not enter into the Kingdom." That's what He said. And I've told you the truth. All right.

Then the rest of you may be seated, now, to your seats, if you will.
I think reverently, now.
